Multibox mirror bathroom cabinet, (W)100cm, £1,027, Duravit

Space-saving cabinet

If your en suite is tight on space, the recessed Multibox mirror cabinet from Duravit is the ideal addition to create extra storage. Designed to sit within a wall, it's perfect over a shallow basin. The cabinet is made from hardwearing melamine resin with a white aluminium finish and the doors are mirrored on both sides. There is a handy power socket for charging toothbrushes and shavers inside – a second socket can also be added on the open shelving – and there is vertical lighting on either side of the mirror, operated by a touch LED beneath the cabinet. Available in four widths – 60cm, 80cm, 100cm and 120cm – prices start from £698 for the smallest size.

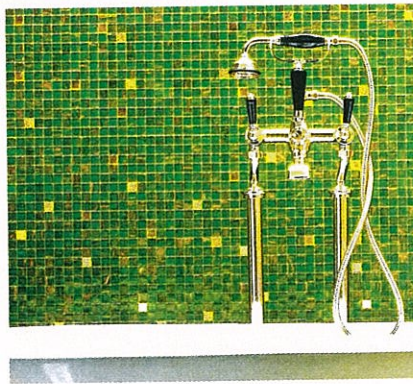

Contemporary mixer

The new Capri push-button shower control from Bristan is a modern take on the traditional bath/shower mixer. It features a lever handle and a push-button diverter to switch between the shower and the bath fill, just like in a hotel. The Capri package, including the shower valve, bath spout and flexi-hose kit, costs £339.
